

"The Lord does not look at the things people look at.

People look at the outward appearance, but the Lord looks at the heart"

1 Samuel 16:7-b

Can someone know all about you just from the way that you look or the stuff that you have?

What is God saying that is most important here?

Have you ever thought that you knew what someone was like, before you got to know them?

How does this verse make you feel??

What did you learn when you got to know them in person?

How might this verse help you to see other people around you?
