Summer 2022 Update

Dear friends,

This term we have seen more and more opportunities to return to on site schools work particularly for our primary team. Seeing those doors reopen once again after the pandemic has brought great joy to the team and with thank the Lord for those opportunities.

Ice Cream for Exeter ICE?

On the 13th June we will launch an exciting new project called “Ice Creams for Exeter ICE!” Throughout the months of June, July and August we will be encouraging people all over the city to donate the price of an ice cream to Exeter ICE to support our work.

There will be a video that can be used in church services as well as shared on social media. There will be posters and leaflets available on request, and artwork that can be shared online.

We would also be interested in hearing from supporters who could hold a fundraising coffee morning (or ice cream morning!) around this time. If you would be interested, please email office@icetrust.co.uk.

We hope that as well as raising money the campaign will raise awareness of the work of ICE across the city. Please pray that this project would be to the praise and glory of God.

Education Sunday 11th September 2022

We long that churches across the city know the best ways to support their local school so this year, as part of Education Sunday, we be providing some resources that will support churches looking this area. More details will follow in July.

We have decided to postpone our planned supporter event in June. Looking ahead, we are excited about the Narnia project which is happening in November. We look forward to seeing you at the supporter event then.

As always you can see what we are doing by following us on Facebook, Instagram or by checking out our website www.icetrust.co.uk

Many thanks for your continued partnership in this vital work.

Best wishes from everyone in the ICE team.

A promotional graphic for the 'Ice Creams for Exeter ICE' campaign. It is divided into two main vertical sections. The left section has a blue top half and an orange bottom half. The right section has a purple top half and an orange bottom half. The top half of the right section contains a photograph of a church service. The text 'Ice Creams for Exeter ICE' is written in white across the middle. At the bottom of the orange section is a white ice cream cone icon. Text on the right side provides donation instructions: 'To give £2, Text 'ICE' to 70460' and 'To give £4, Text 'ICE' to 70480'. At the bottom right is the website www.icetrust.co.uk/giving and the ICE logo with tagline 'bringing faith to life'.
